This music is about a man named jaymerjackson who went for a ride with a dragon on a snow covered hill in the mountains. They fall into the deep snow and he has to get back to the palace. To make it more interesting, he rides a horse. So he doesn't know if he will ride or not.Dramatically expanding the possibilities of the new Nexus 7 tablet — which also features a new 5-inch screen — Google's been testing some new features on it. One of those things is on display, though. Check out Android Police's first hands-on video to get a feel for what you might be feeling before Google takes you for a spin.
